I'm cracking up at that American college student that went to North Korea and tried to steal a poster. He is crying and pleading like a little baby girl because he was just sentenced to 15 years hard labor. Although my heart breaks for his family, it's an eye opener to how spoiled and coddled our youth of today are here in this weak PC country. Yet they act like animals and burn and step on our Flag that so many of our children died for defending our rights and our country. #SeeYouIn15Years #WakeUpAmerica

The Directive further states that "each member must strive to maintain public trust and confidence, not only in his or her professional capacity, but also in his or her personal and on-line activities. Moreover, as police personnel are necessarily held to a higher standard than general members of the public, the on-line activities of employees of the police department shall reflect such professional expectations and standards."

INTERNAL INVESTIGATION / ALLEGATION OF MISSING MONEY

On Saturday, 3-30-13 at 1:00AM, Captain Gramlich #90, Internal Affairs was notified by Lt. John Hewitt #333, 3rd District, of a narcotics investigation (DC# 13-12-20290), involving P/O Thomas Vitanovitz # 3964 assigned to the 18th District and his partner, P/O Duane White #2154 assigned to the 19th District. Both officers were detailed to the Mobile Field Force detail. During a vehicle investigation conducted by these officers, which led to a narcotics arrest of two suspects, P/O Farrelly #9448 and P/O McGinn #4076, both assigned to the 17th District arrived on location. P/O Vitanovitz# 3964 during his initial search of the vehicle where the suspect had been sitting, noted a wallet and pill bottle . The officer identified the pills as Xanax and in the wallet he saw a \$100 bill. P/O Vitanovitz # 3964 stated that upon securing his prisoner he observed P/O Farrelly #9448 holding the same suspect's wallet. P/O Farrelly #9448 stated that he was looking for drugs. Shortly thereafter the prisoner advised P/O Vitanovitz # 3964 that a \$100 bill was missing from his wallet. It should be noted that the investigation and arrest occurred at approximately 7:45PM on 3-29-13. Both Lt. Hewitt #333 and Sgt. Spence stated that P/O Vitanovitz#3964 and P/O White #2154 were visibly shaken up on learning of the missing \$100 bill and reported it to their supervisor Sgt. Spence # 437. Therefore, the element of surprise and efficacy of a search of any officers or their vehicles was greatly diminished by the delayed reporting of this matter by P/O Vitanovitz# 3964 and P/O White #2154. P/O Farrelly#9448 was searched by Lt. Green in the presence of Lt. Branson #113 at SWDD. A consent to search was granted and conducted of this officer's personal vehicle as well as NS-18. Lt. Robert Richie at DPR was notified and P/O Farrelly #9448 duty weapon was reclaimed by order of Capt. Gramlich#90, until such time that this investigation is completed.

I would sit on a roof top and just pop them off one by one lol

Fight fire with fire!! Eventually the police will be back in charge of the streets. If the cops keep bumping the animals off, they may get suspended or fired, but they can only fire so many officers or suspend them.

4y

Daniel Mike You need to teach these assholes a lesson on who runs the streets like the not so old days ! Liberal judges don't punish anyone enough , and people who don't live in neighborhoods like this cry foul when cops are a little rough with these thugs ,But scream for justice when they are the victim ! Rizzo would never let this happen to his cops , or city !

It honestly just needs to be bombed .. Get it over with and kill them all and start over !
